Dear PSC,

Please reconsider the "cease and desist" mandate to Uber. I believe Uber is beneficial and even necessary to the competition they provide to taxis is part of living in a economically flourishing and capitalistic country.

Sincerely,

A born and raised SC citizen,
Christopher Waller

Please keep UBER in South Carolina - I travel for a living UBER is 100% better than any taxi I've taken across the country. The cars are clean and smell free, the drivers speak English and are always on time (if not early) - which I can not say any of the above about taxis.
